

DISCOVER THE WORLD OF UK PUBLIC SERVICES - MAPPED

POLITICAL, ORGANISATIONAL, DEMOGRAPHIC, STRUCTURAL & RELATIONAL DATA

SYT Premium is a new way to access political, organisational, demographic and structural Public Sector data and intelligence. Perfect for Research, Intelligence, Sales, Lobbying & Stakeholder Engagement. Built upon our highly regarded proprietary Public Sector database and utilising bespoke software, search and mapping functionality it provides a unique way to interact with information about and across the UK Government and Public Services. Detailed data-points showing organisational structures and relationships, metrics, demographics, key post-holders, organisation intelligence and news are provided for every organisation; with every location linked to CCG, all tiers of Local Authority, Ward, Constituency and Political Representatives.
